

TRANSFORM FORTH VALLEY

Compassion • Inclusion • Respect • Partnership

Transform Forth Valley is dedicated to empowering individuals and families to live a more fulfilled life.

We work with partners to actively challenge inequalities and to achieve sustainable change.

Who are we?

Transform Forth Valley offer a wide range of services to support individuals and families who are impacted by substance misuse and/or societal, financial or health inequalities.

What do we do?

We respond to identified need in Forth Valley and in partnership we support individuals and families to tackle Inequalities that diminish life chances.

We consider the whole person, building a firm foundation from which an individual or family can achieve positive and lasting change.

How do we do it?

We engage with people at the earliest opportunity to prevent issues from worsening.

We provide direct intervention and support to meet personal objectives.

We work in partnership and provide coordination to ensure all needs are being met.

Aims and objectives

- Identify and support the most vulnerable and hard to reach individuals in Forth Valley.
- Develop the awareness of the impact of substance misuse on young people, children and families.
- Increase self-confidence, self-management and self determination.
- Improve access to the right support services.
- Work in partnership to achieve better life chances and improved outcomes.

TRANSFORM FORTH VALLEY SERVICES

The Assertive Outreach Plus Service

The Assertive Outreach Plus Service operates a Mobile Outreach Vehicle across the Forth Valley, and with a focus on prevention and early intervention. It uses an intense harm reduction approach, targeting areas such as those being used for public alcohol consumption, injecting drug use or where near fatal and fatal overdoses have occurred.

You can call, text or Whatsapp the Service Manager, Claire Hughes, to arrange to meet on 07309780912 or via secure email at fv.transformfv@nhs.scot

Time 4 Us

Time 4 Us works across Forth Valley providing support to children and families where they have been impacted by substance misuse. The service aims to increase parenting capacity, enhance children's self-esteem, confidence and resilience whilst supporting families to stay together, where it is in the child's best interest to do so. To refer into the Time 4 Us service, a 'Request for Assistance' form needs to be completed.

You can contact the Service Manager, Diane Cairns, on 07309780948 or 01259 272112 or via secure email at fv.transformfv@nhs.scot

Housing First Falkirk

The Housing First team provides secure and settled housing as the first response for individuals with multiple and complex individual needs. Eligibility is simply that the individual is willing and committed to their own tenancy agreement, and the home provided for as long as needed.

Housing First is offered to individuals who have been homeless before but who struggle without additional support.

You can contact the Service Manager, Claire Hughes, on 07309780912 or email fv.transformfv@nhs.scot

The Social Inclusion Project Falkirk

The Social Inclusion Project (SIP) works with individuals over 16 within the area to access support and engage with community services. Those accessing the service have experience of problematic substance misuse, are currently offending or involved with anti-social behaviour and are not on a Justice order.

You can contact the Service Manager, Claire Hughes, on 07309780912 for an initial discussion or via secure email at fv.transformfv@nhs.scot

Tackling Inequalities & Improving Outcomes Project (TIIO P)

TIIO P is part of the Social Inclusion Project, working in partnership to support individuals who are currently involved with Falkirk Council Justice Service.
